

Color a Colonist!

Anas Todkill was one of the 102 original colonists who landed at Jamestown in 1607. He is listed as a carpenter and a soldier. He explored the Chesapeake Bay with Captain John Smith and also helped write part of Smith's book The General History of Virginia. Today, interpreters at Jamestown help tell his story.

Once you have finished coloring your artifact have an adult show you what it looks like in real life by visiting:
