

## Color a Dragon Bowl!

Archaeologists found a large piece of this Chinese porcelain bowl at Jamestown. The bowl shows a dragon chasing a flaming pearl. In Chinese mythology, dragons symbolized strength and good luck while flaming pearls symbolized wisdom. A colonist likely had this bowl to show their own status and wealth to visitors instead of using it on their tables.

Once you have finished coloring your artifact have an adult show you what it looks like in real life by visiting:
