

## Color the Archaeologists!

It's Archaeology Month! Over 25 years of archaeology has found most of the original James Fort that was once thought lost. We have recorded hundreds of features and over 3 million artifacts! You can come visit us on site or stay tuned online to hear more about our continuing discoveries.

Once you have finished coloring your archaeologists have an adult show you what they look like in real life by visiting: <https://historicjamestowne.org/jr-kids-at-home> #colorourcollections #JRKids
