

Color a Bartmann Jug!

Jugs like this one were made in Germany starting over 500 years ago. They are called Bartmann (which means “bearded man”) because of the decoration around their necks. The jugs could also have decorations around their middle like a family’s coat-of-arms. The colonists at Jamestown used these jugs to store beer, wine, and other drinks.

Once you have finished coloring your artifact have an adult show you what it looks like in real life by visiting: <https://historicjamestowne.org/jr-kids-at-home> #colorourcollections #JRKids
